NEW HAVEN. CONN.

BANK OF NEW HAVEN, for New Haven, priding itself on its support of worthy New Haven projects, providing every possible need for depositors, coupled with a courteous obliging staff, giving the best of service to all who favor it with their business, and a Board of Directors as indicated below of the highest standard, a guaranty of stability and safety.

We transact a General Banking Business, act as Trustee, Registrar of Stocks and Bonds, maintain a Safe Deposit Vault, also a Savings Department, paying 3% interest on all sums deposited on the first of each month, one dollar opening an account.

If you have any idle funds awaiting investment, our Interest Bearing Certificates of deposit will prove of ideal temporary use.

If you contemplate changes in, or extension of your banking, our officers will be pleased to greet you.

SECTION 28, COPYRIGHT LAW, IN FORCE JULY 1, 1909.

That any person who willfully and for profit shall infringe any copyright secured by this Act, or who shall knowingly and willfully aid or abet such infringement, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by imprisonment for not exceeding one year, or by a fine of not less than one hundred dollars nor more than one thousand dollars, or both, in the discretion of the court.

WARD BOUNDARIES

Voting Districts.

First Ward—Commencing at the point of intersection of the central lines of State and George streets. thence continuing northerly through the center of State street to the center of Grove street, thence westerly through the center of Grove street to the center of York street, thence southerly through the center of George street, thence through the center of George street to the point of beginning.

Second Ward—Commencing at the point of intersection of the central lines of Chapel and York streets, thence continuing westerly through the center of Chapel street to the city limit, thence following the city limit in a southerly direction to the center of Congress avenue, thence northeasterly through the center of Davenport avenue to the center of York street, thence northerly through the center of York street, thence northerly through the center of York street to the point of beginning.

Third Ward-Commencing at the point of intersection of the central lines of George and York streets, thence continuing southerly through the center of York street to the center of Davenport avenue, thence southwesterly through the center of Davenport avenue to the center of Congress avenue to the city limit, thence following the city limit in a southeasterly direction in the center of Washington avenue, thence northeasterly through the center of Washington avenue to the center of Congress avenue to the center of George street, thence northwesterly through the center of George street to the point of beginning.

Fourth Ward-Commencing at the point of intersection of the central lines of Meadow street and Congress avenue, thence continuing southwesterly through the center of Congress avenue to the center of Washington avenue, thence southeasterly through the center of Washington avenue to the city limit, thence southeasterly and northeasterly by the city limit to a point where said city limit is intersected by the central line of the Meadow street outlet sewer, continuing in a straight line, thence northwesterly by the said line of said sewer to the center of Union avenue. thence northerly to the center of Meadow street, to the point of begin-

Fifth Ward-Commencing at the point of intersection of the central lines of Chapel and State streets, thence continuing southwesterly through the center of State street to the point of intersection of the central lines of State and George streets, thence northwesterly through the center of George street to the point of intersection with the central line of Meadow street, thence southerly through the center of Meadow street to the center of Union avenue, thence southeasterly by the central line of Meadow street sewer continued in a straight line to the city limit to Tomlinson's bridge, thence easterly and northerly through the center of the channel of Mill river to a point on Chapel street bridge coincident with the central line of Chapel street, thence westerly through the center of said Chapel street bridge and Chapel street to the point of beginning.

Sixth Ward-Commencing at the point of intersection of the central line of Chapel and State streets, thence continuing easterly through the center of Chapel street and Chapel street bridge to the center of the westerly channel of Mill river, thence northerly through the center of said channel of said river to a point on Barnesville bridge coincident with the central line of Grand avenue, thence westerly through the center of Barnesville bridge and Grand avenue to the center of State street, thence southwesterly through the center of State street to the point of beginning.

Seventh Ward—Commencing at the point of intersection of the central lines of State street and Grand avenue, thence continuing easterly through the center of Grand avenue and Barnesville bridge to the center of the westerly channel of Mill river, thence northerly to the center of said channel of Mill River to a point on Neck bridge coincident with the central line of State street, thence westerly and southwesterly through the center of Neck bridge and State street to the point of beginning.

Eighth Ward—Commencing at the point of intersection of the central lines of Grove and State streets, thence continuing northeasterly and easterly through the center of State street to the center of the channel of Mill river, thence northerly following the center of the channel of Mill river to the city

limit, thence northwesterly by the city limit to the center of Whitney avenue, thence southwesterly through the center of Whitney avenue to the point of intersection of the central lines of Whitney avenue and Temple street, thence southwesterly through the center of Temple street, to the center of Grove street, thence southeasterly through the center of Grove street to the point of beginning.

Ninth Ward-Commencing at the point of intersection of the central lines of Grove and Temple streets, thence continuing northeasterly through the center of Temple street to the point of intersection of the central lines of Temple street and Whitney avenue, thence northeasterly through the center of Whitney avenue to the city limit, thence westerly, southerly and westerly by the city limit to the center of Crescent street; thence southerly through the center of Crescent street to the center of Goffe street, thence southeasterly through the center of Goffe street to the point of intersection of the central lines of Goffe street and Broadway, thence southeasterly through the center of Broadway to the center of York street, to the center of Grove street, thence easterly through the center of Grove street to the point of beginning.

Tenth Ward-Commencing at the point of intersection of central lines of York street and Broadway, thence continuing northwesterly through the center of Broadway and Goffe street to the point of intersection of the central lines of Broadway and Goffe street, thence northwesterly through the center of Goffe street to the center of Crescent street, thence northerly through the center of Crescent street to the city limit, thence westerly and southerly by the city limit to the center of Chapel street, thence easterly through the center of Chapel street to the center of York street, thence northerly through the center of York street to the point of beginning.

Eleventh Ward-Commencing at a point on Barnesville bridge coincident with the intersection of the central line of Grand avenue and the center of the westerly channel of Mill river,

thence continuing southerly through the center of the westerly channel of Mill river to its junction with the main channel of said river, thence southerly through the center of the main channel of said river to its junction with Quinnipiac river, thence easterly and northerly through the center of the Quinnipiac river to a point coincident with the central line of Grand avenue, thence westerly through the center of Quinnipiac bridge and Grand avenue to the point of beginning.

Twelfth Ward—Commencing at a point on Barnesville bridge coincident with the intersection of the central line of Grand avenue and the center of westerly channel of Mill river; thence continuing easterly through the center of said bridge and the center of Grand avenue to the city limit in Quinnipiac river; thence northerly and northwesterly by the city limit to the center of the channel of Mill river; thence southerly following the center of the said channel to the point where said river is divided into two channels; thence through the center of the west channel to the point of beginning.

Thirteenth Ward-All that part of the town of New Haven which is westerly and northerly of the Ninth ward and northerly and westerly of the Tenth ward, and westerly in part of the Second ward.

Fourteenth Ward-All that part of the town of New Haven lying easterly of the Quinnipiac river and northerly of a line commencing at a point in the center of Meadow street where said street joins Quinnipiac bridge; thence running easterly through the center of said street to a point where it intersects South Quinnipiac street; thence in a line running due east to the center of the Shore Line Railway; thence easterly in a line following the center line of said railway to a point where it intersects the dividing line between the towns of New Haven and East Ha-

Fifteenth Ward—All that part of the town of New Haven lying easterly of the Quinnipiac river and New Haven harbor and southerly of the Fourteenth ward.
